**VISION SCREENING**

THE Kendal Lions provided Vision screening once again

this year in October for students in Senior Kindergarten and Grade One classes at four local schools—North Hope Public School in Garden Hill, Kirby Centennial Public School, Orono Public School in Welcome. Total children screened: 67.

Because eyesight is so important to progress in school, Lions provide what is often a child's first eye check.

The Kendal Lions are pleased to provide this service to youth in our community as part of our overall "Vision for ALL" program.

**PANCAKE BREAKFAST**

**THANK YOU FOR YOUR SUPPORT**

Proceeds raised from our fundraising breakfast supported the FishAbility Sports Club...and will help support the physical & emotional well being of persons of any age or disability. For more info, visit their website: www.fishabilitysports.org.

Thanks as well to our fellow Lions from Newcastle and Millbrook clubs—it is always a great time when they arrive on our doorstep!

Our youth helpers for the day did a fabulous job—a BIG THANK YOU goes out to Tyler and Alycia Austin, Zoe Scott and Brayden Longyear.

**THANKS AGAIN TO ONE AND ALL**

So I told her

“Put cotton in your ears and pebbles in your shoes. Pull on rubber gloves. Smear Vaseline over your glasses, and there you have it: instant OLD AGE.”
